

# Disruption in the Global Supply Chain: Planning Strategy for 2022

With shipping delays, freight cost increases and lost sales looming, businesses will need targeted strategies to ensure resilience and continuity in 2022. Join World Trade Center Savannah for a webinar panel discussion to explore the steps companies must take to boost efficiency, manage the global freight market, determine the best transportation method and implement short and long-term solutions.

## Panelists include:

- Blue Tiger International CEO and Managing Director Thomas Cook (panelist leader)
- Georgia Ports Authority Director of Business Development and International Marketing John Petrino
- Apex Logistics International Senior Vice President Mike Piza
- Qosina Corporation Director of Logistics Joe Mantello
- Dastech Chemicals Operations Manager Luz Cazeneuve
- SPARX Logistics Vice President Jason Manganaro
